Dear Molly:

Thank you so much for your kind invitation to the symposium on Biological Image Processing. This is a topic which interests me professionally, and I am quite certain that I will benefit from discussions with the participants. Incidentally I think you have selected an unusually fine group.

If you are planning to arrange for reservations, I would like to have a room reserved for the evenings of 16, 17, and 18 November. If you prefer, I will make my own reservations.

Thank you again for your invitation. I am looking forward to seeing you again.

Best regards,

STAT

P.S. If you see Tid Magoun, please give him my warmest regards.
